\*Video guidelines for virtual applicants:

- You should record a single unedited video that includes both selections on your repertoire list.
- Your camera should record from a fixed position, 4'-8' feet from you, as if the voice faculty were seated in front of you.
- You should face straight forward to the camera as you would appear to adjudicators in a live audition.
- Your video recordings must clearly show your face and enough length to include hands and gestures.
- Please announce your name, as well as each song selection and composer.

#### **Required Audition Repertoire:**

Two classical selections to be sung by memory (may include an appropriate opera or oratorio aria). One song must be in English; the second song may be in English but a foreign language is preferred. In addition to the two required classical pieces, an optional third selection may be submitted in any style that demonstrates the applicant's interests.

#### **Trial Lessons:**

Voice faculty are generally available to schedule private trial lessons. Please contact us if you are interested.
