Minimum Graduate Degree Credit Requirement

The Graduate School's minimum graduate degree credit requirement is a degree requirement instituted by the Graduate Faculty Executive Committee to ensure that a graduate degree meets institution accreditation standards (this includes but is not limited to online, thesis/research, independent study, and practicum internships credits).

Minimum Graduate Degree Credit Requirement	30 credits
--	------------

Minimum Graduate **Residence** Credit Requirement

The Graduate School's minimum graduate residence credit requirement for graduation can be satisfied only with courses numbered 300 and above taken as a graduate student at UW-Madison (this includes but is not limited to online, thesis/research, independent study, practicum/internship credits).

Minimum Graduate Residence Credit Requirement 16 credits

In rare circumstances, courses taken as a University Special student maybe allowed to count toward the minimum graduate residence credit requirement. These credits generally are not allowed to count toward the 50% graduate coursework minimum.

Credits applied to the minimum graduate residence credit requirement must be earned while enrolled as a graduate student at UW-Madison and can also count toward the minimum graduate degree credit requirement.
