UNIVERSITY OF WISCONSIN-MADISON

International Student Application Agreement

The School of Music Graduate Office understands that applying as an international student is a complicated – and sometimes overwhelming – process! To let us know that you understand the conditions of your application to the School of Music, please read this information carefully and verify that you have done so by sending an email to James Doing at gradadmissions@music.wisc.edu

TOEFL score

If you are a non-native speaker of English and not a citizen of Canada, the United Kingdom, or another country where English is the official language, please read the following statements:

1. I understand that I am required to submit a TOEFL score of 85 or higher no later than December 1 in order to be considered for admission to the School of Music.
2. I understand that the School of Music does not grant TOEFL waivers for U.S. degree holders, despite the Graduate School's offer to do so.
3. I understand that if my submitted score is below 92, I will be required to successfully complete at least one ESL course during my first semester at UW-Madison.

Financial statement

All international students, please read the following statements:

1. I understand that, if admitted, I will be required to show possession of sufficient funds to support 1 year of non-resident tuition and living expenses. The current amount is approx. USD 46,000.
2. If I receive TA funding from the School of Music, I understand that while a 50% Teaching Assistantship will cover the full amount, a 33.4% Teaching Assistantship will only cover approx. USD 42,000 of this amount. I will be responsible for showing the remainder (approx. USD 4,000) in order to complete my admission.
